

# MAVERICK BEER LIST

## 1. Mission City

Blonde Ale / 5.2% ABV / 22 IBU  
A light and refreshing lawnmower beer made with Texas grown malt. San Antonio is known as the Mission City and the Mission City Blonde Ale is perfect for quenching your thirst on those hot Texas summer days.

## 4. Sam Maverick Fiesta Lager

Lager - Vienna / 5.3% ABV / 16 IBU  
Sam Maverick Fiesta Lager was brewed as an ode to San Antonio's Fiesta. A colorful week-long celebration of our city's rich and diverse culture. Fiesta Lager is made in the style of Mexico's famous lager beers. Vienna malt and a large dose of Yellow Corn make for a crisp lager with a sweet finish. Sure to quench your thirst on a hot afternoon, we prefer it in true San Antonio fashion, "dressed" with salt and lime.

## 2. Lockwood English Porter

Porter - English / 5.2% ABV / 21 IBU  
A classic roasty English Porter, this beer is dark and complex without being heavy or filling. The malt character pushes this beer forward accentuating the chocolate, coffee, and roast aspects. This beer was fermented with a traditional English strain of yeast and is deceptively light.

## 5. Imperial Brown Stout

Stout / 11.6% ABV / 55 IBU  
The imperial stout boasts a dark brown head with aromatic flavors of roasted malts, dark chocolate, and a touch of honey. It has a medium to heavy body with excellent carbonation. This smooth, creamy stout is almost unnoticeably strong.

## 3. Sam Maverick Euro Pils

Pilsner - Other / 5.1% ABV / 31 IBU  
Our take on a clean and crisp European Lager. Lots of Pilsner malt and Noble hops coupled with a lengthy ice-cold fermentation make Sam Maverick Euro Pils a light and refreshing pour for spring time sipping.

## 6. Barrel Aged Imperial Stout

Stout / 11.6% ABV / 55 IBU  
The barrel aged imperial stout adds subtle notes of oak and corn with a noticeable flavor of our premier whiskey. The lowered carbonation gives an exquisite mouthfeel. The flavors of whiskey and chocolate leave a perfect finish.
